

# SKISCHULE ADVENTURE RAURIS

The health of our guests and employees is our most valuable asset. Together with the Tourist Board Rauris, the mountain railways and all local service providers, we are well prepared for the coming winter.

## **OUTDOOR:**

Adventure Rauris services primarily take place outdoors.

## **ONLINE BOOKING:**

The majority of our services can be booked online. All data for possible contact tracing will also be optimally recorded.

## **DECONCENTRATION OF MEETING POINTS:**

We have physically extended our ski school meeting points - in doing so, we can achieve appropriate social distancing.

## **MOUTH/NOSE PROTECTION AND DISINFECTION OF HANDS:**

We ask all guests and employees to wear a mouth-nose protection or tube scarf in all public areas, when using the cable car and other ski lifts and wherever the safety distance cannot be complied. Please follow the current hygiene regulations.

## **GROUP SIZES:**

The group sizes for all CSA courses will be limited to **8 people**.

## **EMPLOYEE SAFETY:**

For our employees, we are giving our all in relation to safety. Alongside appropriate instructions and rules of conduct, we will ensure good accommodation and working conditions and carry out tests according to system and at the slightest suspicion of illness.

## **FREE CANCELLATION POSSIBILITY:**

Possible up until 5pm the day before.

These measures are subject to constant evaluation and adjustment in coordination with legal requirements, the regulations of our partners, as well as the elaborations of our advocacy groups and health authorities in conjunction with local medical advisers.
